REPLY AND AMENDMENT UNDER 37 C.F.R. 1.111

In response to the Office Action originally mailed October 24, 2003, Applicants submit the following Amendment and Remarks. The period for response to the Office Action has been reset to extend to April 9, 2004 without fees for extension of time. The period for reply is extended to May 9, 2004 by the accompanying Petition for Extension of Time.

Applicants do not believe that extensions of time or fees for net addition of claims are required beyond those that may otherwise be provided for in documents accompanying this paper. If additional extensions of time are necessary, however, to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefore (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 50-1283.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks begin on page 8 of this paper.
